

2022 AYEA Civics & Conservation Summit Application

The Civics & Conservation Summit is meant to break down barriers between Alaskan teens and the legislative process. By focusing on specific bills within the current Alaska State Legislative session, teens have the opportunity to gain skills in communication, advocacy and civic engagement. The summit culminates with constituent meetings between participants and their legislators - when they can advocate for the bills and topics they care about. The 2022 summit will be held virtually March 4-6th! Learn more about the Civics & Conservation Summit on our website (ayea.org) or contact staff at ayea@akcenter.org
